

Klumpp Promoted to Mortgage Lender at Great North Bank

FLORENCE, WI – Great North Bank promoted Rosa Klumpp (NMLS#1729422) to Mortgage Lender. She will serve Florence and the surrounding area residents with their home buying and building loans as well as loans for home improvements and remodeling.

“Rosa is a great addition to our mortgage team,” explains President and CEO Thomas Wittkopf. “She has demonstrated a strong work ethic and I am confident she will work hard for our customers—from start to finish—to help them accomplish their goal of home ownership.”

Rosa has over 15 years of customer service experience and began as a universal banker with Great North Bank in September 2017. Rosa took on her new role after she successfully completed the Wisconsin Bankers Association (WBA) Mortgage Lending School in February. The WBA program provides knowledge and tools needed to be successful in the complex field of mortgage lending.

Rosa’s extensive customer service history combined with over eight years of management experience made her a good fit for the role. Prior to joining Great North Bank, Rosa spent an additional 1.5 years in the banking industry where she developed an interest in helping customers find financial solutions. She attended Northern Michigan University and has continued her education through the WBA. Rosa enjoys staying active in the Florence community with her husband and four children.
