

WE'VE MISSED YOU!

As your bank, we pride ourselves on being “that place” and “those people” you can rely on. As the state eases restrictions, we’ve determined we will be able to open our lobbies beginning June 8th, 2020. Of course, they’ll look and feel a little different with the added safety measures in place – but you can rest assured your familiar and friendly bankers are ready to serve you again.

We really care about you. We have implemented strict COVID-19 standards for our team’s and your safety. Please help us during this process by limiting contact, staying home if unwell, and continue to practice safe social distancing.

We are excited and will see you soon!

Thomas A. Wittkopf
President & CEO

We’re in this together – let’s remember:

- **Drive-Thru and Online Banking** Our Drive-Thru's and Online Banking are still the safest way to conduct your banking.
- **Masks are Optional** Masks are optional here. If it makes you feel more comfortable to wear one, please do so! However, you may be asked to show your face for security reasons.
- **Germs are Bad** You’ll now see plexi-glass between you and our personal bankers as well as additional hand sanitizing stations.
- **Appointments are Great** They allow us to deep clean a private area before and after your arrival.
- **Space is Helpful** Respect everyone’s personal space bubbles; 6ft away is always a good idea.
- **Air High Fives Rock** The best way to say hello is with a long-distance wave, handshakes are overrated anyway.
- **Elbow Grease is Best** We have a regular cleaning schedule to help eliminate any unwanted germs too.
